

TATEYAMA
Exhibiting at the “Euro Shop 2011”,
The Global Retail Trade Fair
- A Springboard to New Sales Channels on International Markets
for the Promotion of Our Main Product Line for Commercial Facilities

Visit us at the EuroShop 2011! Shanghai Tateyama Commercial Facilities Co.,Ltd will be an exhibitor at the “EuroShop 2011”, the global retail trade fair held in Duesseldorf, Germany.

“EuroShop” is an international trade fair specialized in shop fittings, display and merchandising held every three years in Duesseldorf, Germany. The fair hosts approx. 1,900 exhibitors (in 2008) from around 50 countries worldwide, mainly from Europe (EU nations) but also from Asia and the US, and serves as a broad business platform for the approx. 100,000 visitors (in 2008) from over 90 countries around the world.

Jointly with our affiliate, “Tateyama Advance” of Japan, we will be presenting “TATEYAMA Gondola” general-purpose fixtures as our main product line for commercial facilities. We are confident that EuroShop offers an outstanding opportunity to expand our sales channels on international markets.
